

R E M A R K S

In response to the Office action of April 5, 2004, a new Abstract and four "Replacement Sheets" of drawings are presented. FIGS. 28-31 have been labeled as "Prior Art" and no other changes have been made.

In view of the foregoing and in further view of the amendments and remarks in the Response filed on March 15, 2004, allowance of claims 1-16 is believed to be in order and such action by the Examiner is courteously solicited.

Respectfully submitted,

May 5, 2004
